2017-2018

Tree House Learning Center is a preschool, kindergarten readiness program, and after school program that strives to instill a sense of wonder and a passion for life-long learning in children.

Housed in the Helena Athletic Club, Tree House Learning Center is dedicated to educating children through active play and hands-on learning. We guide youngsters to discover the world around them through learning opportunities that include language experiences, creative and artistic expression, and manipulation with basic science and math concepts.

“Excellent environment, GREAT TEACHERS, and gym access is wonderful for the kids.”

— June

Tree House Learning Center provides for enriching social interaction, character development, and community involvement:

- Degreed educators
- Warm, inviting environment
- Age appropriate learning opportunities taught across various learning styles
- Access to gym classes
- Emphasis on intellectual, social-emotional and creative personal growth, as well as fine and gross motor development
