## Team Budget and Expenses

Each gymnast has a team account with HAC that the family is responsible for according to the due dates set forth in this agreement. The table below shows the costs that are associated with a travelling competitive team. Although it is a substantial expense for the season there are individual fundraising opportunities through the Capital City Gymnastics Club. Participation in fundraising opportunities is at your discretion and the portion of funds raised by your family during each event goes directly to your competition account. Monies fundraised above and beyond the comp. account fees can be applied to the monthly tuition for team members. HAC management also has a sponsorship letter that can be personalized to solicit family, friends and community donations for your comp. account. Often, there are families who completely pay off their accounts prior to the start of the season through sponsorships from family, friends, and local businesses. Don't hesitate to visit with the office manager, head coach or current team families regarding the various options available for assistance with this account.

Note that the only out-of-state competition expense covered by the competition account is the athlete's entry and coaches' fees. Athlete/parent/family travel and accommodations will be an added expense. Parents are not required to attend competitions. Coaches and plenty of parents attend each event, competition or activity and there is more than enough competent supervision in the case you cannot travel with your child. Any travel costs for family members are not included in the competition account.

## Financial Commitment Agreement Form

There are two types of financial commitments required of gymnastics families. The first is the monthly training fee that is billed on the first of each month and covers all team practices, instruction and team gatherings. The second is the competition account that consists of every expense associated with participating on a travelling competitive gymnastics team. Each team's expenses vary and are due in installments prior to the beginning of the competitive season. These installments are billed on the 15<sup>th</sup> of each month. Cash, check, debit or credit cards are all acceptable forms of payment.

### Concerning Competition Accounts:

Helena Athletic Club, Inc. (HAC) will order and pay for items listed in the team budget for all members of the HAC gymnastics teams. Due to the nature of such large orders HAC will often pay ahead, or above and beyond what each family has already contributed to their team account. It is extremely important that each family makes timely payments and understands the consequences of delinquency. ***Unpaid competition accounts may be subject to an interest charge up to 10% of the delinquent balance.*** A delinquent account will be turned over to a collection agency and that child's membership terminated at the sole discretion of HAC Management.

If at any point during the season your child leaves or is dismissed from the team you will only be responsible for payments/fees due on or before the date of departure. An injured or suspended athlete will still be responsible for all team account payments whether they participate in said activities, camps or competitions. Sickness, vacation or other absences do not constitute a proration of fees, training or otherwise.

Check here if you would like HAC to withdraw funds automatically for monthly training fees and/or competition account payments. Please indicate **BELOW** either monthly fees, comp. account payments or both for your preference to make automatic payments. Monthly fees will be debited on the first of each month and comp. account fees on the 15<sup>th</sup>.

- Please withdraw monthly tuition on the first of every month.
- Please withdraw comp. account installments on the due date of each payment
- Please withdraw both monthly tuition and comp. account installments on their respective due dates

See the attached Automatic Payment Form.
